SUBJECT: BRAZIL SHOOTDOWN PROGRAM - REVIEW PROCESS UNDERWAY

REF: A) STATE 102423

¶1. Pursuant to reftel instructions, AirAtt and Polmiloff will meet with GoB interlocutors next week to determine GoB compliance with shutdown and operational procedures, to consult on the program's status and to verify that all reporting requirements will be met in a timely manner. We will report the outcome of this meeting to the Department as soon as possible. Based on our ongoing contacts with responsible GoB officials, Post believes that the GoB's operational procedures are in compliance with regulations and that no changes to the program have been made.
